CEDRUS – Quality, that your garden deserves

We are one of the largest companies in Poland, providing top quality machinery and tools for gardening, forestry and construction. We have been developing CEDRUS for more than 30 years, offering equipment that is reliable, robust and tailored to the needs of both professionals and home users.

Experience and quality you can rely on

Since 1993, we have been building our position in the market, starting with the distribution of spare parts to expand over time to include a wide range of machinery and tools. Today CEDRUS is synonymous with durability and technological precision. Our products meet European standards and have the required certificates, and our service is a guarantee of support at the highest level.

Wide range of products - from the garden to the construction site

We are not standing still - we are growing for you! From the distribution of spare parts to a comprehensive range of gardening, forestry and construction machinery, we are consecutively expanding our product range, adapting it to changing trends and market needs. Our products meet all European standards, and thanks to an extensive network of dealers we reach customers throughout Poland and most of European countries.

Our product range includes a wide assortment of machines for various applications - from lawn mowers, garden tractors, scarifiers, soilers, mowers, to log cutters, power generators and professional transporters. Every year we expand our product range to meet the demands of the modern market. **In 2024, we introduced a new series of C-TRAC tractors, the Cedrus Professional series of equipment, 60V acumula-tor tools, and mowing robots without a restraining wire from Sunseeker.**

Strong brands, best solutions. We work with renowned brands such as **Weibang, Sunseeker, Ferris, Ariens, Pubert, Motor Jikov, Kaaz and SARP**. We are also the official and general distributor of Loncin in Poland, supplying engines, gensets and pumps of this internationally recognized brand. In addition, we offer accessories, spare parts and personal protective equipment for users of our machines.

Polish brand, global reach

CEDRUS is a brand with a strong position in the country, but also a rapidly growing exporter. Our machines find their way to international markets, where they gain recognition for their high quality and reliability.

A service that gives confidence

We are well aware that quality is not only about products, but also about after-sales support. That's why we provide **professional service and access to original spare parts**. Some of our products come with as much as a **5-year warranty**, which confirms their durability and reliability.

Cedrus - quality and trust in practice

Through cooperation with the best suppliers and an extensive network of distributors, we provide our customers with reliable tools and machinery. We focus on durability, professionalism and the highest quality of service.

- A team of experienced experts to provide support and advice.
- A wide and comprehensive range of items to suit different needs.
- Cooperation with recognized brands and manufacturers.
- An extensive network of authorized sales and service outlets throughout the country and abroad.
- An extensive inventory of spare parts and service parts.
- Wide range of machines for various applications

MORE THAN SALES - SUPPORT, EDUCATION, PROMOTION

Our business is not only sales. We support customers at every stage, providing training, presentations and participating in trade shows. We are active in social media and regularly organize promotions and marketing campaigns.

Our goal is to provide the highest quality equipment and a comprehensive service that allows each customer to find the perfect solution to fit their needs. CEDRUS stands for quality, innovation and reliability you can trust!

CEDRUS – strength and precision in your garden

We continuously invest in technology development and new solutions. Our offer is constantly expanding, and we remain a leader in the industry. We make garden care and construction work easier, faster and more efficient.

Want to know more? Check out our offer at www.cedrus.com.pl and find the perfect solution for you!

CEDRUS POWER+ battery tools

Combine innovative technology, performance and complete freedom of operation. With state-of-the-art lithium-ion batteries, they offer cable-free and emission-free mobility, providing comfort for both everyday household chores and demanding professional applications.

The **CEDRUS POWER+ series** includes two lines of tools tailored to different user needs. The **20 V** series is designed for home and private use, offering compact and lightweight tools ideal for small repair jobs, DIY and garden maintenance. The **60 V** series, on the other hand, is a solution dedicated to professionals - garden tools with increased power and performance that will work well in commercial applications.

One of the most important advantages of the **CEDRUS POWER+ is its interchangeable battery system**, which allows multiple devices to be powered by a single power source. This allows the user to work without interruption, swapping the battery between tools as needed. The rechargeable batteries are available in different capacities, allowing the user to adjust the working time to suit his requirements.

The **20 V** series will be great for household chores, while the 60-volt tools are professional models with increased power for intensive use. Robust construction, ergonomic handles and modern technological solutions make **CEDRUS POWER+** the choice for DIYers and professionals alike. Quiet operation and functional solutions, such as speed control and tool-free accessory replacement, increase the comfort of use. When you choose **CEDRUS POWER+**, you are investing in modernity, quality and versatility. Whether you need a tool for your home workshop or equipment for professional work, the range offers the perfect solution..

We also offer:

- Fiskars products,
- oils for two- and four-stroke machines,
- NGK and Champion spark plugs,
- Cutting systems for saws of Cedrus, Sugihara, Sarp brands,
- Tools and cutting lines for trimmers,
- Spare parts for two- and four-stroke engines,
- V-belts,
- mower blades and adapters,
- accessories, and forest and garden tools,
- personal protective equipment,
- spare parts and accessories for Chinese machinery.

Lawn Mower

Rechargeable power in your garden!

The Cedrus LM40LiX2 cordless mower is a modern and eco-friendly solution for demanding users. Powered by 20-volt batteries from the Cedrus Power+ series, it offers convenience and efficiency without the need for fuel or tangled cables. Thanks to its compatibility with a variety of batteries from the Cedrus Power+ series, you can tailor the mower's run time to the size of your garden and your own needs.

Lightweight design, adjustable cutting height and quiet operation make lawn care a pleasure. Without exhaust fumes, noise and complicated maintenance - the Cedrus LM40LiX2 is the ideal choice for anyone who appreciates comfort and modern technology.

Bet on the power of Cedrus Power+ batteries and enjoy a perfectly manicured lawn!

Cedrus Power Tools - freedom and convenience

Cordless devices are gaining popularity due to their versatility and mobility. The absence of a cable gives full freedom of action - whether in the workshop, in the garden or on the construction site. The 20V battery system is the ideal solution for those who value convenience and efficiency. One battery can power a variety of tools, saving time and money.

Cedrus CEDSC15Li – comfortable and precise spraying

The Cedrus CEDSC15Li cordless sprayer is the perfect solution for gardeners, fruit growers and farmers who value convenience and efficiency. Powered by a 20V battery, it eliminates the need for manual pumping, ensuring even and steady spraying.

Opt for modernity and comfort - choose Cedrus CEDSC15Li and make spraying faster and more effective!

The capacious 15-liter tank allows for longer work without frequent refilling, and the powerful pump guarantees precise dosing of the liquid. The lightweight design and long lance make it easy to work even on larger areas. It is an ideal choice for both plant protection and foliar fertilization.

Battery blowers

– tidiness without effort

Battery-powered blowers are the ideal solution for people who want to clean up their garden, patio or driveway quickly and efficiently. With battery power, the tool provides full mobility, quiet operation and no emissions, making it an eco-friendly choice.

Blowers are great not only for removing leaves, but also for cleaning sidewalks, stairs or the garage from dust and fine dirt.

Saw Blade

CEDCSB165LI

Model	CSB165LI	Laser pointer	Yes
Battery	Max. 20 V	Weight	2,78 kg
No-load speed	4200 rpm	Battery included	No
Disc size	165x20x1.6 mm, 24 T	Charger included	No
Cutting depth	51mm at 90° 37mm at 45°	Case included	No
Motor type	Brushless		

Battery
20V

Disc diameter
165x20x1.6 mm, 24 T

Weight
2,78 kg

Saw Blade

CEDCSM140LI

Model	CSM140LI	Laser pointer	Yes
Battery	Max. 20 V	Weight	2,1 kg
No-load speed	6000 rpm	Battery included	No
Disc size	140 mm	Charger included	No
Cutting depth	50 mm at 90° 35 mm at 45°	Case included	No
Motor type	Brushless		

Battery
20VDisc diameter
140 mmWeight
2,1 kg

Jigsaw

CEDJSLI

Model	JSLI	Cutting angle	0-45°
Battery	Max. 20 V	Motor type	Brush
No-load speed	0 - 2700 rpm	Blade stroke length	20 mm
Cutting capacity	80 mm in wood 12 mm in aluminum 5 mm in steel	Weight	1,65 kg
		Battery / Charger	No / No
		Case included	No

Battery
20VCutting capacity
80 / 12 / 5 mmWeight
1,65 kg

Multifunctional Device

CEDMTLI

Model	MTLI	Weight	1,00 kg
Battery	Max. 20 V	Battery included	No
No-load speed	5000 - 20000 rpm	Charger included	No
Speed control	6 settings	Case included	No
Oscillation angle	3°	Accessories included	Yes
Motor type	Brush		

Battery
20VWeight
1,00 kg

Compressor

CEDAP100LI

Model	AP100LI	LED light	Yes
Battery	Max. 20 V	Display	Yes
Max. air pressure	7 bar (100 psi)	Weight	0,7 kg
Air volume	30 l/min	Battery included	No
Max. air speed	54 m/s	Charger included	No
Motor type	Brush	Case included	No
Work cycle	5 minutes of work 5 minutes break		

Battery
20VMax. air pressure
7 bar (100 psi)Weight
0,7 kg

Glue Gun

CEDCG3LI

Model	CG3LI	Weight	0,36 kg
Battery	Max. 20 V	Battery included	No
Nozzle diameter	3 mm	Charger included	No
Diameter of the cartridge	10-12 mm	Case included	No
Heating time	3 min		
Working temperature	175°C		

Battery
20V

Working temperature
175°C

Weight
0,36 kg

Silicon Gun

CEDSG45LI

Model	SG45LI	Tube capacity	600 ml
Battery	Max. 20 V	Cartridge capacity	300 ml
Motor type	Brush	Weight	2,2 kg
Max. dispensing force	4500 N	Battery	No
Feed adjustment	6 levels	Charger	No
Feed rate	0,7 – 11 m/s	Case included	No

Battery
20V

Feed rate
0,7 - 11 m/s

Weight
2,2 kg

Nail Gun

CEDNGLI

Model	NGLI	Storage capacity	50 pcs
Battery	Max. 20 V	Weight	1,8 kg
Driving speed	to 30 nails/min	Battery included	No
Nail size	15-32 mm	Charger included	No
Staple size	15-25 mm	Case included	No

Battery
20V

Driving speed
to 30 nails/min

Weight
1,8 kg

Vacuum Cleaner

CEDVC15LI

Model	VC15LI	Weight	4,0 kg
Battery	Max. 20 V	Accessories included	Yes
Motor type	Brush	Battery included	No
Tank capacity	15 l	Charger included	No
Suction pressure	≥8.0 KPa	Case included	No
Hose diameter	32 mm		
Hose length	1,5 m		

Battery
20V

Tank capacity
15 l

Weight
4,0 kg

Vacuum Cleaner

CEDVC5LI

Model	VC5LI	Weight	1,2 kg
Battery	Max. 20 V	Accessories included	Yes
Motor type	Brush	Battery included	No
Tank capacity	0,5 l	Charger included	No
Suction pressure	≥3.8 Kpa	Case included	No
Hose diameter	N/A		
Hose length	N/A		

Battery
20V

Tank capacity
0,5 l

Weight
1,2 kg

Flashlight

CEDLLI

Model	LLI	Weight	0,25 kg
Battery	Max. 20 V	Battery included	No
Diodes	LED 3W 3pcs	Charger included	No
Luminous flux	260 Lumens	Case included	No
Head adjustment	90°		

Battery
20V

Luminous flux
260 Lumens

Weight
0,25 kg

Lamp

CEDCL35LI

Model	CL35LI	Weight	0,75 kg
Battery	Max. 20 V	Battery included	No
Diodes	LED 35W SMD 100 pcs	Charger included	No
Luminous flux	I - 5000 Lumens II - 2000 Lumens	Case included	No
Head adjustment	120°		

Battery
20V

Luminous flux
5000 Lumenów

Weight
0,75 kg

Pumper

CEDCP57LI

Model	CP57LI	Accessories included	Yes
Battery	Max. 20 V	Weight	0,7 kg
Max. air pressure	0,034 bar	Battery included	No
Max. airflow	53 m³/h	Charger included	No
Max. air speed	11 m/s	Case included	No
Motor type	Brush		

Battery
20V

Max. air pressure
0,034 bar

Weight
0,7 kg

Fan

CEDWF300LI

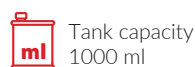

Model	WF300LI	Weight	3 kg
Battery	Max. 20 V	Battery included	No
Fan diameter	300 mm	Charger included	No
Adjustable speed	3 levels	Case included	No
Timer switch	Yes		
Mains power supply	Yes		

Spray Gun

CEDSP1000Li

Model	SP1000Li	Nozzle diameter	2,5 / 1,8 / 1,5 mm
Battery	Max. 20 V	Weight	1,25 kg
Tank capacity	1000 ml	Battery included	No
Flow rate	800 ml/min	Charger included	No
Viscosity	60 DIN-S	Case included	No
Pressure	0,1 bar		

USB Charger for phone

CEDCHPLI

Model	CHPLI	LED light	Yes
Battery	Max. 20 V	Weight	0,1 kg
Input voltage	20 V	Battery included	No
Output voltage	5 V	Charger included	No
Input current	1,5 A	Case included	No
USB port	Yes		

Cedrus Power+ – Power, you can rely on

The Cedrus Power+ series is a combination of modern technology and reliability, designed for the most demanding users.

The versatility of the rechargeable system allows you to power a wide range of tools with a single battery, bringing convenience, economy and order to your workshop. Performance, durability and comfort - these are the qualities that define the Cedrus Power+ brand. Trust the power to meet any challenge!

Maximum power, zero compromise

The Cedrus 60V series of cordless machines is a professional line of battery-powered equipment that combines powerful power with convenience. The mowers, chainsaws, hedge trimmers, trimmers and blowers in the series are designed to meet even the toughest garden and outdoor challenges.

With high-efficiency 60V batteries, you can enjoy long run times, exceptional performance and emission-free operation. Cedrus 60V is the future in your hands - power that never fails!

Battery 4 Ah

CEDB4

Model	B4	Charging time	96 min (Charger 2,5 A)
Voltage	60 V	Charging time	44 min (Charger 5,5 A)
Battery capacity	4,0 Ah	Protection degree	IP54
Energy content (nominal)	216 Wh	Weight	1,60 kg
Energy content (max)	240 Wh		
Charge indicator	Yes		

Battery capacity
4 Ah

Weight
1,60 kg

NEW

Battery 8 Ah

CEDB8

Model	B8	Charging time	192 min (Charger 2,5 A)
Voltage	60 V	Charging time	88 min (Charger 5,5 A)
Battery capacity	8,0 Ah	Protection degree	IP54
Energy content (nominal)	432 Wh	Weight	2,7 kg
Energy content (max)	480 Wh		
Charge indicator	Yes		

Battery capacity
8 Ah

Weight
2,7 kg

Backpack Battery Charger

CEDCHP4-8

Model	CHP4-8
Input voltage	200-240 V, 535 W
Output voltage	4A / 8A - 25-63 V
Charging time	For CEDP25: Fast mode - 3,0 h; Standard mode - 6,5 h
Charging time	For CEDP15: Fast mode - 1,8 h; Standard mode - 3,9 h

NEW

Choose the battery that fits your needs

The Cedrus 60V machine series offers two innovative battery power solutions to suit different work styles:

Plug-in: Thanks to the portable battery in the backpack, you can enjoy less strain on the device, which significantly increases the comfort of your work, especially for prolonged use. The corded connection system ensures freedom of movement and even weight distribution.

On-board: Batteries plug directly into the device for convenience and ease of use. Ideal for fast and precise tasks where mobility and ease of use are important.

Both options guarantee high performance and reliability, allowing you to tailor the tool to your needs and preferences. Cedrus 60V is freedom of choice and quality you can count on!
