CEDRUS – Exclusive Distributor  
of the Weibang Brand in Poland

For over 30 years, Cedrus has been supplying machinery and tools for gardening, forestry, and construction, building a brand based on durability, modern technologies, and proven solutions. We collaborate with renowned manufacturers from around the world, and one of our key partners is Weibang, for which we are the exclusive distributor in Poland. This guarantees original products, full availability of parts, and professional technical support.

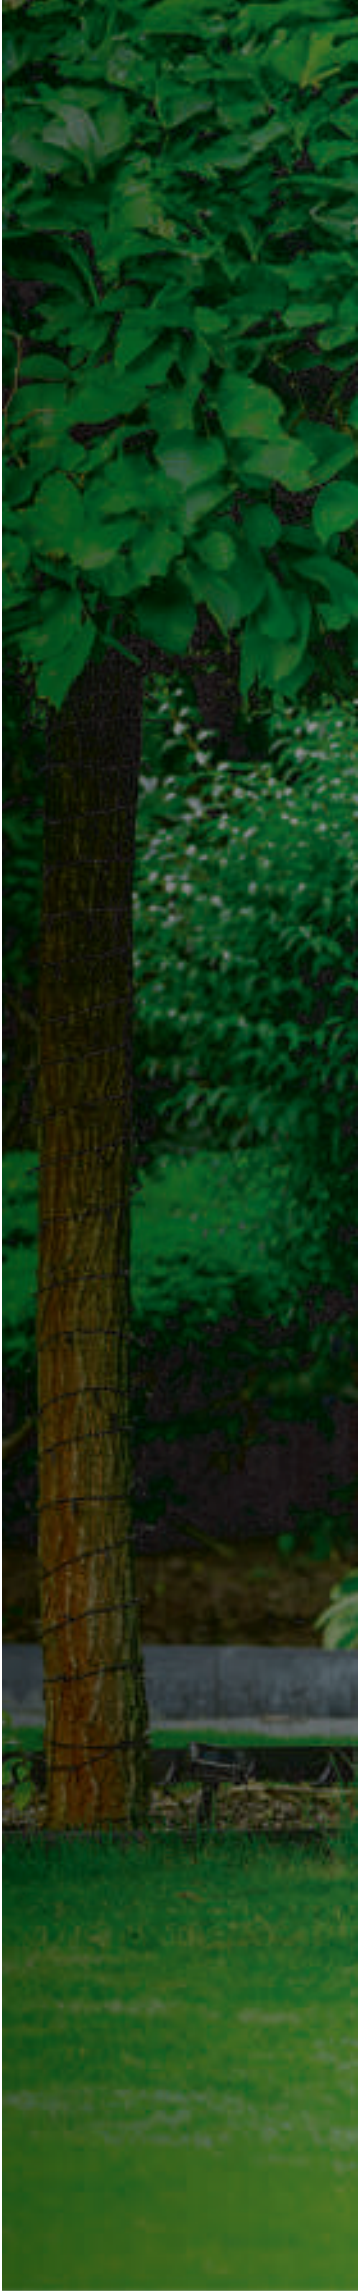

Experience, Quality, and Technical Support

Since 1993, we have been developing a comprehensive offering—from spare parts to advanced lawn care machines. Weibang equipment available at Cedrus meets the highest quality standards and is designed for intensive use. Our service and access to original components ensure longevity and reliability of the equipment.

Strong Brands, Proven Solutions

Cedrus offering also includes products from manufacturers such as Sunseeker Elite, Ferris, Ariens, and Pubert. We are also the general distributor of Loncin in Poland, supplying engines, generators, and pumps from this renowned brand. We also offer accessories and spare parts.

**Cedrus – the Weibang brand expert .**  
Professional equipment, comprehensive support, and a confident choice.
